ACCESSORIES FOR HP ELITEBOOK 8730W MOBILE WORKSTATION

POWER TO PERFORM.
Most powerful HP Mobile Workstation.

HP recommends Windows Vista® Business

Notebook docking solutions
HP docking stations and stands provide you with desktop-like comfort and expandability from your notebook while in the office. Key features of HP docking solutions include port replication, cable management, user comfort, enhanced viewing and security. To fully optimize the 15.4" diagonal display of your HP EliteBook 8730w Mobile Workstation, connect it to the HP Adjustable Notebook Stand for easy viewing in a space-saving design.

Power solutions
If you are frequently out of the office, the HP 12-Cell Ultra-Capacity Battery provides up to an additional 10 hours of battery life[1] without adding much weight. Keep working when on the road with the HP 90W Smart AC/Auto/Air Combo Adapter.

Memory
Boost your notebook performance cost-effectively with certified and warranted HP Memory[2].

Cases
Secure your notebook inside your HP Carrying Case for easy portability and notebook protection. HP offers a complete range of Carrying Cases for your HP Business notebook - from value nylon cases to deluxe leather and roller cases.

Security solutions
Limit unwelcome "from the side" display viewing, especially when used in constrained or limited spaces with the HP Privacy Filter. The HP Privacy Filter narrows the viewing angle of your notebook display so that people on either side see a dark, blank screen.

Complete portfolio of accessories
In addition to what we've mentioned, HP offers a complete portfolio of accessories you need to help create your mobile office including hard drive and back-up solutions (extra primary hard disk drives), optical drive solutions (DVD+/-RW LightScribe Drives, DVD, CD-RW, Combo), and wireless modules.

Why Buy HP Business Notebook Accessories?
Our accessories are rigorously tested and work seamlessly with your HP Business Notebook PC, and they are backed by world-class global services and solutions.

ACCESSORIES FOR HP ELITEBOOK 8530W MOBILE WORKSTATION

HP recommends Windows Vista® Business

HP 2008 Docking Station (KQ751AA)	• Desktop-equivalent comfort and convenience with full port replication and cable management • Optional integrated HP/Kensington Cable Lock allows you to secure your docking station and notebook with one lock
HP 2008 Advanced Docking Station (KQ752AA)	• Robust desktop replacement solution for your mobile office with advanced features including integrated upgrade bay and ExpressCard slots • Optional integrated HP/Kensington Cable Lock allows you to secure your docking station, notebook and optional integrated upgrade bay with one lock
HP Adjustable Notebook Stand (PA508A)	• Notebook stand with one-hand adjustability eliminates the need for an external monitor or allows dual displays for increased productivity • Simple cable management channels on the back of the stand de-clutter your desktop when connecting multiple devices
HP Monitor Stand (PA507A)	• Compact design with support for up to 21-inch diagonal monitor (up to 100 lbs) • Convenient power button and light, AC power light and dock light
HP Basic Adjustable Notebook Stand (AL549AA)	• Raise your computer screen to an adjustable comfortable eye level. • Use two displays at once to increase productivity – your notebook display, plus connect one external display via the VGA or DVI port on your notebook. • Keep your desktop clutter-free even when connecting multiple devices with the simple cable management channels on the stand.
HP External MultiBay II (PA509A)	• Perfect companion for mobile users looking to expand their computer's storage capabilities • 9.5mm MultiBay II technology provides a compact external optical solution • Unique foot design allows you to place the MultiBay II in either a vertical or horizontal position • Quickly and easily add an optical drive
Memory[2] 1-GB & 2-GB, 4-GB SODIMMs (DDR 800 MHz)	• Protect your investment with certified and warranted HP Memory • Maximize system performance by reducing bottlenecks caused by memory-intensive applications • Faster start-up times with fewer delays during routine operations • More cost effective than upgrading the processor or adding a hard drive • Thoroughly tested and qualified ensuring the highest reliability for your HP notebook
HP 8500/8700 Series 8-cell Primary Battery (KU533AA) **HP Extended Life Battery (AJ359AA)** **HP 12-cell Ultra-Capacity Battery (EJ092AA#xxx)**	• Primary battery power
HP Universal Nylon Case (RR315AA) **HP Executive Leather Case (RR316AA)** **HP Deluxe Nylon Backpack (RR317AA)** **HP Deluxe Roller Case (GD405AA)**	• **The HP Universal Nylon Case** is built to the highest standards of design and quality and incorporates high-density foam and cushioning to protect your notebook while traveling. • **The HP Executive Leather Case** is designed for the traveling business person who wants style and function. • **The HP Deluxe Nylon Backpack** is the perfect travel companion for students and business professionals. • **The HP Deluxe Roller Case** is the ideal solution for those who travel frequently on business and like the convenience of a roller case rather than carrying their notebook and documentation over long distances in busy airports.
HP 90W Smart AC/Auto/Air Combo Adapter (AJ652AA)[3]	• Convenient and portable power source for use in a mobile environment • Energy-efficient power adapters designed to draw minimal power • Integrated surge protector to guard against power fluctuations • Recharges notebook battery when attached to electrical outlet and/or automobile power charger
HP 15.4" Display Privacy Filter (AJ358AA)	• Limit unwelcome "from the side" display viewing • Narrow the viewing angle of your notebook display so that people on either side see a dark, blank screen

1. Battery life will vary depending on the product, model, configuration, loaded apps, features and power mgmt settings. The max capacity of the battery will decrease with time and usage. 2. Dual Channel is only supported when the system is configured with DDR2 symmetric memory (i.e. 2x256). 3. Availability may vary by region.
